

Linking
Egyptian Textiles
to The Global Value Chain

A world map is shown in a light blue color against a darker blue background. The country of Egypt is highlighted in a darker purple color. The word "EGYPT" is written in white, all-caps, sans-serif font over the purple area.

Why Choose Egypt To Be Your Sourcing Platform?

Geographical Location & Logistics: Egypt is positioned at the crossroads of Europe, the Gulf, Asia, and Africa, where trade and cultures have been taking place and crossing paths for over 7,000 years. With 8% of global seaborne trade between the East and the West passing through the Suez Canal – a number which is expected to grow with the new Suez Canal Regional Development Project – it is easy to comprehend Egypt's ever-growing business potential.

Egypt grants you better lead times because of:

- Accessibility to most European ports.
- Average four-hour flight time to most European capitals .
- Similar time zone to Europe supporting advantageous business partnerships.
- Proximity to North America than Asian Countries, and near the Gulf, Asia and Africa.
- Direct vessels to USA East Coast .

As an intercontinental business destination, Egypt has access to a number of world markets on the strength of its location alone

Free Trade Agreements (FTAs): Egypt has signed many Free Trade Agreements that give it a great advantage as an industrial & trading country: COMESA, GAFTA, EU-Egypt Partnership Agreement, QIZ, Agadir Free Trade Agreement, Egypt -Turkey FTA, And Egypt – EFTA FTA.

To Source Primary Textile Materials:

Contact us and we will share relevant information about our manufacturers and how to contact them to source Fibers, Yarns & Fabrics. We would be pleased to help you find your appropriate supplier from Egypt.

**TEXTILE EXPORT
COUNCIL**

With evidence of textile industry emerging in Ancient Egypt since 5500 BC; Egyptian textile industry has been geared to be a major supplier of primary textile materials to the garment and home textile manufacturers worldwide.

The Textile Export Council “TEC” of Egypt can help you source all products from top class Egyptian suppliers with the most modern spinning, weaving, and processing state-of-the-art facilities.

To ensure that apparel & home textiles manufacturers get the best materials, we recommend to them our dedicated suppliers. Those who fully understand that price-competitiveness, planning, quality assurance, and meeting delivery schedules are key aspects for their clients.

Who We Are?

The Textile Export Council of Egypt; TEC is a privately-managed organization created by the government to be responsible for the development and promotion of textile exports.

TEC is a focal point where the efforts of sector companies meet the will of Egyptian government to offer high quality textile products to the world.

TEC mission is to promote international trade, enhance exchange of trade related information and trade delegations and encourage joint ventures and technological alliances in the textile sector.

TEC focuses on linking Egyptian manufacturers of Primary Textile Materials to the Global Value Chain.
